Ramadan Kareem

It is time for Ramadan, the Holy Month in the Islamic Calendar, where all Muslims fast from sunrise to sunset for approximately 30 days and is the second Ramadan celebrated amid Covid-19 since last year. It starts when the crescent moon (called hila) coincides with the astronomical new moon—exchanging Ramadan greetings, especially at the beginning of the month. The word ‘Kareem’ in the phrase ‘Ramadan Kareem’ is the equivalent to ‘generous’, meaning ‘Wish you generous Ramadan’. The UAE’s Moon Sighting Committee decides the exact date, agreed upon by the Abu Dhabi Judicial Department.

BEFORE

EARTH HOUR 2021

Over the years, the lights-off moment saw entire streets, buildings, landmarks, and city skylines go dark. This hour not only showcases the importance of energy consumption but also symbolizes the unity, hope and power in the collective action for nature. The Earth Hour 2021 was observed on the 27th of March 2021 at 8:30pm that successfully reduced the entire EFT building's energy consumption. This year's theme "Speak Up For Nature" aims to raise responsibility between community groups and government entities to connect positively with our environment, by promising to protect planet Earth by adopting a sustainable lifestyle
