### India-UAE Relations: U.A.E. to mark the 75th Anniversary of India's Independence Day...

A decade after India and the UAE established diplomatic relations in 1972, the scope of bilateral ties and engagement has steadily increased in the recent years. "Jan-Utsav" or the celebration of the people, will be held in the UAE on 15th August 2021.

The festivities are inspired by the five pillars of Indian history: the Freedom Struggle, Achievements at 75, Ideas at 75, Actions at 75, and Resolves at 75. Global Media Insight claims that there are approximately 2.75 million Indians in the U.A.E. The trade relations between India and the U.A.E. in the 1970s was valued at US\$ 180 million per year is currently worth US\$ 59 billion. A high-level forum is being used to promote the economic links and accelerate engagement between UAE and India. As a result of the visit by the U.A.E Army Chief of Staff to India in 2003, defense collaboration between the two countries has grown fast. The two countries have sought to broaden their cooperation across multiple domains, such as investments, technology and knowledge economy, in order to realize their shared trade and geopolitical visions.
