EMIRATES FINANCIAL TOWERS NEWSLETTER

What is Automated Car Parking System

Emirates Financial Towers owns one of the Largest Automated Parking Facilities registered in the Guinness World Records. The smart parking solution offers a total of 1,191 parking space capacity.

Compared to the conventional parking garage APS is inherently safe and secure, so theft, scratches, or car honking noise are prevented. Automated Parking is also cleaner, greener, and Eco-friendly. The car engine is off while parked in the automated parking system; it blocks carbon emissions and saves gallons of petrol.

Owners and occupiers can enjoy an accessible 24/7 parking. All parking rights in Emirates Financial Towers are located within the Automated Parking System. For more information, please contact EFT Parking Management office at 04 3863584 or parking hotline at 050 291 5803.

Free Parking Hours:

1:00pm to 3:00pm

6:00pm to 6:00am

Parking Charges:

Valet : AED 30 per hour

Automated : AED 12 per hour

WHEEL CLAMPING

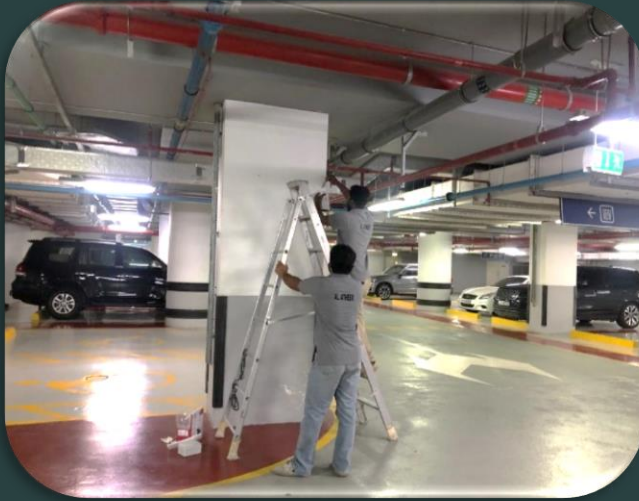

enforcement is in place. Please ensure that visitors and guests are made aware of the parking policy to avoid any inconvenience or parking fines.

For card malfunction, visitor ticket is required to access parking premises. However, it is advisable to surrender the ticket along with the card to parking management team straight away (max 10 minutes upon arrival) in order to void / cancel the ticket and prevent extra charges. Unreported tickets will be considered by the system as a chargeable service and cannot be cancelled

BUILDING MAINTENANCE & IMPROVEMENT

Parking Surveillance Cameras

An additional quantity of surveillance cameras was installed in the basement parking areas. The Management pursues its commitment to promote safety and security to all EFT occupiers, owners, and shared assets. The parking CCTV is complementing the appointed Security Officers patrolling the Building 24/7.

FEATURED EMPLOYEE OF THE MONTH

“ The building management appreciated Mr. Prabhakaran's honesty and responsibility in returning the lost item belonging to one of the occupants to the Lost & Found at the same time. ”

- Prabhakaran Athikkal
Civil Technician / Painter
