Commemoration Day

This day is observed on November 30th. It's also referred to as 'Commemoration Day.' Because this holiday falls just two days before the two-day UAE National Day celebrations, further holidays are likely to be issued if the dates fall on a weekend. National events with the involvement of all government institutions, Emiratis, and citizens will honor the occasion.

The holiday honors the country's martyrs, in acknowledgment of the sacrifices they made for it, and in memory of its sons who have lost their lives to keep the UAE flag flying high while doing their duties in the civic and military sectors at home and abroad.

SILENCE FOR ONE MINUTE

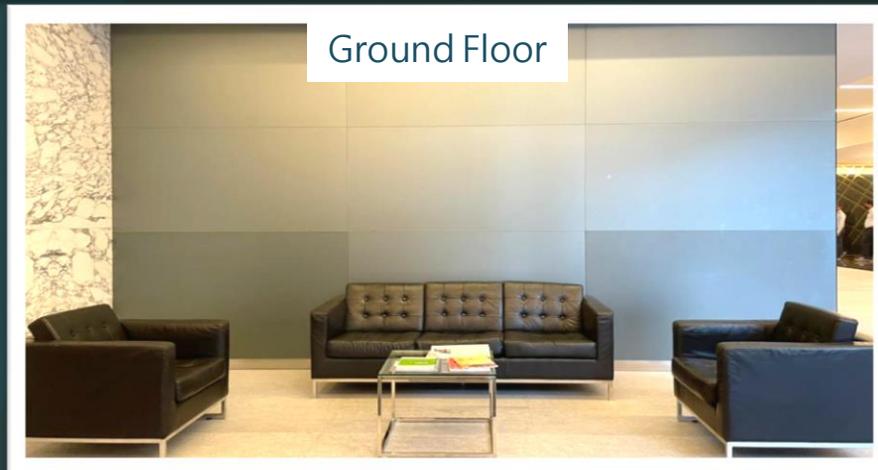

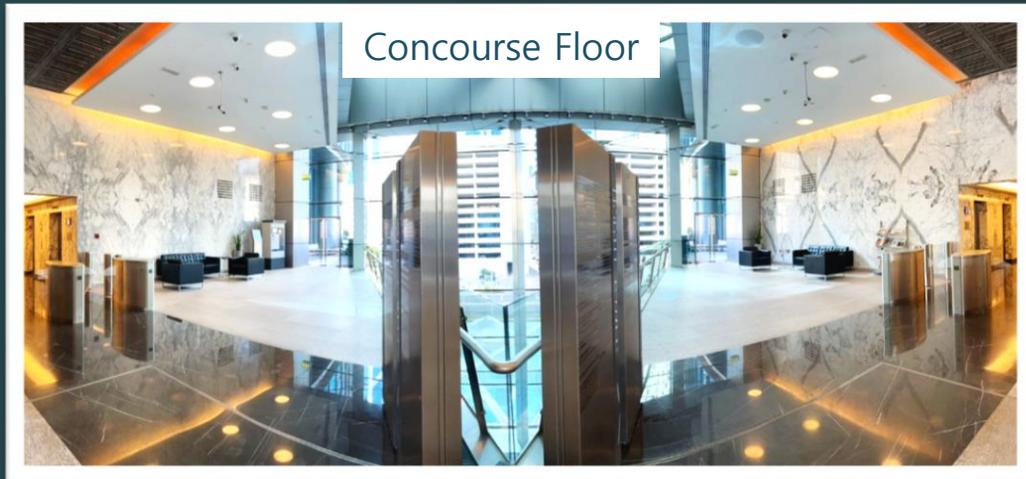

Every year, the residents gather to commemorate the martyrs' legacy by observing a minute of silence. On November 30, 2020, at 11:30 a.m., the community will pay tribute to the martyrs by observing a one-minute silence.

Children's Day

November 20 is the day serves as a reminder that every child deserves the finest education, care, and opportunities. They are the foundation of the society, therefore how well they are raised determines the World's future. Keep the kid inside you alive, even if you're an adult.

Visitor's Waiting Area

The essential part of having great seating in the waiting area is to ensure that visitors have an accommodating and comfortable environment while waiting for an appointment or for personal reasons. These can avoid making people stand and make the waiting period far less straining. EFT Retail staff are encouraged to reserve seats priority for EFT guests.
