

COMMUNITY JOURNAL

Ramadan Kareem

Ramadan is celebrated as Muslims' most holy month of the year. The dates of Ramadan varies from year to year as the exact dates start when the crescent moon rises. The word 'Ramadan' comes from the Arabic root 'Ar-Ramad' meaning -"scorching heat". It is believed that in AD 610, angel Gabriel appeared to Prophet Muhammad and revealed to him the 'Quran' (Islamic holy book). The night when the great revelation was made is believed to be during Ramadan.

The holy month brings with it every kind of spirituality and peace. The Mosques host late evening prayers called 'Taraweeh' and post-midnight prayers called 'Qiyam ul-layl' (for the last 10 days). Fasting is from sunrise to sunset throughout the month. After the sunset prayer, the Muslim Community joyfully gather together to break the fast with a meal, which is called 'Iftar'. During the day, charities and spiritual activities are filled with greater devotion. Ramadan as the holiest month ends with the celebration of Eid ul-Fitr.

While the celebrations of Ramadan are hyping up, we would like to greet all owners, occupiers and visitors and the Muslim friends all over the world a blessed Ramadan. May the Holy Month continue to bring us joy, success, and good health

BUILDING IMPROVEMENT

Water seepage:

Successfully completed one of the most important things, the groundwater seepage in basement, which involves great effort and time.

Basement Painting:

Painting of B3 Ramp, B2 Staircase and B2 Parking area are completed. These are maintained properly by the team which makes them look as fresh as possible.

Sand trap bucket cleaning:

The sand trap bucket cleaning for all the basements are usually once in a year or in half a year. The maintenance is completed.

MASTER COMMUNITY RULES

Security

A. An Owner shall best endeavors to keep its Property and any property contained therein secure at all times and the Owners shall comply with all rules and directions of the Master Developer with respect to any security procedures implemented from time to time by the Master Developer and the Master Developer's security teams, including emergency evacuation drills and procedures which may be carried without prior notice during the standard retail business hours.

B. All users of the Vehicular Tunnel must follow the directions of the Master Developer at all times.

C. Although the provision of Security services in the Master Community may not be designated as a Master Community Core Service, and the Owners are free to engage Suppliers as determined by the Owners, the Owners shall only engage licensed reputable security services Suppliers approved by the Master Developer and ensure that such Suppliers comply with the requirements of the Master Developer with respect to the provision of security services and comply with the directions of the security services.
